- 3) JAHIS Standardization**

1) Contribution to DICOM Standards

- Proposed two new CPs from Japan.

Rationale for Correction as below:

1) There are some inconsistencies between Table C.30.3-1 in PS3.3 and Table CC.2.5-3 in Part4.

2) JIRA has changed the English expression of its organization name from

“Japan Industries Association of Radiological Systems”

to

“Japan Medical Imaging and Radiological Systems Industries Association”. effective at 2012/April/01

The “JIRA” acronym is unchanged.
